# Policy for Leasing Spaces for Kiosks at NMRC Metro Stations

## 1. About NMRC

Noida and Greater Noida are being developed as the satellite industrial towns to New Delhi and more and more people from Delhi and other areas are shifting to these towns in search of fresh air, greenery and better infrastructure. There is a need of providing an efficient, reliable and comfortable transportation system for the population intending to settle in these towns and also the public coming to these areas for education, service and business.

Noida Metro Rail Corporation (NMRC) Limited is a Special Purpose Vehicle (SPV) formed for planning and executing urban transport projects in Noida, Greater Noida regions. NMRC desires to provide a world-class Public Transportation System with state-of-the-art technology. As such, the overarching criterion for setting up of NMRC is to help create an efficient, safe, reliable, economical and affordable public transport system.

NMRC is introducing a new initiative to enhance commercial opportunities within metro premises by offering spaces for kiosks at metro stations. Under this policy document, NMRC will lease out spaces to interested applicants for setting up kiosks, Vending Machine. This initiative aims to create a vibrant retail environment within the metro stations, catering to the daily needs of commuters while simultaneously generating additional revenue for NMRC.

## 2. Objective

NMRC aims to:

- a. Provide a streamlined leasing process for retail kiosks, vending machines, and other small-format businesses, allowing interested applicants to establish their presence across NMRC metro stations, not through the usual tender process, but can apply as per the simple process outlined in this policy.
- b. Create opportunities specifically tailored for start-ups, new businesses, and first-time entrepreneurs, giving them access to high-visibility, high-footfall locations to grow their ventures.
- c. Enable businesses to access strategic, high-traffic areas within the metro network, fostering the growth of local commerce and supporting economic diversity.
- d. Maintain the aesthetic and operational standards of metro stations while diversifying retail services, ensuring that all businesses contribute positively to the commuter environment.
- e. Support NMRC's strategic intent to create vibrant, user-friendly spaces within metro stations, enhancing the daily experience of commuters by offering a range of convenient services.
- f. Maximize the commercial utilization of metro station spaces to secure steady non-fare box revenue for NMRC, promoting sustainable operations and enabling further development initiatives.
