## **Press Release**

### **NMRC Achieves 20% Growth in Non-Fare Box Revenue; Plans for Further Expansion**

Dr. Lokesh M, IAS, Managing Director of Noida Metro Rail Corporation (NMRC), conducted a review of the Property Business/Property Division today. The review highlighted a significant increase in NMRC's non-fare box revenue, which rose from ₹15.05 crore to ₹17.94 crore, marking a 20% growth. For the upcoming financial year (2025-26), based on tenders and contracts already awarded, the projected revenue is expected to reach ₹26.29 crore, reflecting a 46% increase over the previous year. NMRC is now working towards further enhancing this revenue growth to 60% by introducing innovative tenders during FY 2025-26.

### **Encouraging Startups and First-Time Entrepreneurs**

To support startups and first-time entrepreneurs, NMRC has introduced a new policy that allows small businesses to lease spaces (not exceeding 10 square meters) at metro stations for setting up kiosks and vending machines. Following the policy's announcement, 18 new entrepreneurs have been allotted spaces at metro stations of their choice and are set to commence operations by mid-April 2025. Additional kiosk and vending spaces are still available at select metro stations. Interested entrepreneurs can contact the Deputy General Manager (Property Business) for further details.
